Our office is located along the A2. You need to use the parallel lane on the A2 ring road 's- Hertogenbosch. Since there is only one opportunity to choose between the main and parallel lanes, make sure you enter the parallel lane in time. If you miss the parallel lane, continue driving until the main and parallel lanes join again. You can then take the next exit and turn around to reach the parallel lane from the other side of the road.

Turn left onto the Amerikastraat and then immediately turn left again towards the parking lot of Business Complex Bolduc.
